ORIGINAL WORK

Sleeping Beauty and the Bear Prince
 - Co-author with Fosse Jack

- Debuted in March 2024 as part of Noveltease Theatre's mainstage season.
- An ensemble-driven burlesque play which used fairy tales and folklore from around the world to tell the story of Princess Aurora's quest to save her true love and reawaken from her cursed slumber

O Succulent: Cafe Nordo, Seattle, WA

- Co-author with Brendan Mack
- Premiered in August 2019 at Cafe Nordo as part of their annual Pressure Cooker program, where a new work is chosen to be fully produced for a week-long run at the dinner theatre.
- A choose-your-own-adventure style comedy in which a socially awkward botany professor and a murderproof nun traverse the dangerous Southern Giraffa Desert to find a new home.

The Vampires of the Neverwood: Annex Theatre, Seattle, WA

- Co-author with Brendan Mack
- Premiered as a live-streamed play produced by Annex Theatre February 2021
- A choose-your-own adventure style comedy in which a pole-dancing warrior teams up with her estranged librarian sister and three unlikely heroes to learn the secrets of the Vampires of the Neverwood and save the world from impending doom.

SOLO PERFORMANCE

The Phantom of the Opera but Every Character Sings a Different Language and also I Play All the Parts

- A Burlesque reinterpretation of the musical in which every character sings a different language, and I don't know who sings what until the audience pulls from a hat just before the performance. This is a work in development that I debuted in workshops at Annex Theatre in January & July of 2023 and 18th & Union in April 2023, and will produce in full in 2028.

BURLESQUE & VARIETY SHOWS (PRODUCER)

Ah, Yes! The Two Genders (May, July, December 2019)

- A Burlesque show featuring "two gender" acts. Some highlights were Coffee & Tea; Chocolate & Peanut Butter; Science & Religion; Zombies & Unicorns; USA & Canada; Capitalism & Communism; Jeff Goldblum & T-Rex - you get the idea.

This Will Probably Not Suck (March 2020)

- A variety show in which I took 2 Stand Up Comics, 2 Burlesque Dancers, 2 Drag Queens / Kings, 2 Sketch Comedians, 2 Improvisers and 2 Slam Poets - re-assigned them to a different artistic profession, gave them a month to prepare, then made them perform their new artform in front of their friends and family.

Nakedback: The Burlesque Tribute to Canada's Greatest Band (July & October 2024)

- A Nickelback Burlesque show that absolutely no one asked for.
